

The following products have been approved for use when staining fences and decks in Cibolo Canyons:

Behr Clear Natural

Behr Natural

Behr Cedar Natural

Wood Defender- Desert Sand 808403

Wood Defender- Sedona 808407

Sherwin Williams Cedar Bark (SW 3511)

Sherwin Williams Spice Chest (SW 3513)

Sherwin Williams Banyan Brown (SW 3522)

E&G Coatings LLC : Tan Iron Oxide (C33-032)

You **MAY** request approval of another Brand of stain, as long as it is very similar in color to the 3 Behr Products listed. **YOU MUST STILL SUBMIT AN ARCHITECTURAL CHANGE SUBMITTAL FORM, AND YOU MUST SUBMIT A SAMPLE OF THE NEW BRAND OF STAIN ON A PIECE OF CEDAR**, before it will be considered for approval.

Regarding TREX Decking:

The Architectural Review Committee (ARC) has modified the above addendum as it relates to decks only. ARC will approve TREX decking materials that complement the color of the home. For example a gray tone deck on a gray home will likely be approved. Stains for fences remain subject to the above specifications.
